Dear Gahanna Resident,

WELCOME to the kickoff of the City of Gahanna's 2022 Parks and Recreation Spring/Summer programs! As we prepare for the return of a full season of events, camps, and activities, this is a perfect opportunity to reimagine, rebuild, and reinforce some of things our residents love most about Gahanna – our dynamic green spaces, parks, trails, playgrounds, pools, and programs for all ages.

After two years of limited programming due to the pandemic, our dedicated team in the Department of Parks & Recreation team is looking forward to engaging with residents through positive recreational experiences that have become the hallmark of life in Gahanna. In the coming months, our picturesque parks will become hubs for friends and families to gather, while beloved events, such as Creekside LIVE and Gahanna's traditional Fourth of July Celebration, will create opportunities to make memories that will last a lifetime.

Thank you for supporting the outdoor spaces and programs that continue to set Gahanna apart as a premier location to live, work and recreate. We look forward to seeing you outdoors this summer!

Sincerely,

Laurie Jadwin  
Mayor  
City of Gahanna

Welcome to the Parks and Recreation Spring/Summer Program Guide! Like many Ohioans, we are eager for the change in weather and are excited to see our parks and trails full of activity.

We have some exciting new amenities to try this summer. Woodside Green and Headley Park have brand new playground structures. The structures are very different from each other as well as different from any existing features in our park system. This is done purposefully to create excitement and creativity while your children are exploring the space. Also new this summer is the grand opening of the Gahanna Swimming Pool splash pad. The splash pad is an added feature to the pool, and is designed to safely open to the community outside of the pool season.

Whether you are relaxing on a walk on one of our beautiful trails, enjoying a picnic in a park with friends, or joining our team for a fun program or event, we look forward to exploring with you. Have a safe and fun summer!

Sincerely,

Stephania Ferrell, Director  
Gahanna Department of Parks & Recreation

*The Mission of the Department of Parks and Recreation is to provide parks, trails, and recreational opportunities to all people of Gahanna so they can be healthy and well while they explore and learn in our community.*

### FOR YOUR SAFETY - SWIM TESTS

To ensure the safety of our members and guests, all swimmers ages 12 and under will be required to take a swim test if they wish to use the diving board, or swim in the deep areas of the swimming pool. Any child who does not take or pass the swim test will be restricted from deep water but may still access to the shallow areas of the pool.

#### Swim Test Requirements

Each swimmer wishing to gain access to the entire pool area must complete the following test:

- Swim 50 yards in good form, without stopping, on their front side beginning in the shallow end of the pool.
- Jump into water over his or her head, return to the surface, and tread water for 45 seconds in a vertical position with his or her whole head above water.

If a child successfully passes both components of the test, they will be given a wristband. Wristbands must be worn to access the restricted pool areas. New wristbands may be obtained at the front desk from an Aquatic Staff member, as successful completion of the test will be noted on the member's accounts.

We strongly encourage all guests to actively supervise their children at all times, regardless of swimming ability.

## Parks & Rec Master Plan

The Gahanna Parks and Recreation Department is in the process of updating its Comprehensive Parks Master Plan, and we need your help! The purpose of the plan is to guide decision making on policy, operations, maintenance, and capital improvements over the next ten years. Input and feedback received from the community will be used to create the guiding principles and an actionable roadmap for the direction of the Parks & Recreation Department for years to come.

Gahanna Parks and Recreation will be conducting surveys about our park system, the programs we provide, and amenities throughout our parks and trails.

### ATTENTION

A hard copy survey will be mailed in May. A link to the survey will be available at [exploreghannaparks.com](http://exploreghannaparks.com) and shared on the City of Gahanna Department of Parks & Recreation Facebook page beginning in June.

We look forward to hearing your thoughts and to continuing to serve all your health and wellness, recreational, and educational adventures.
